Silver Wings Fraternity championed the naming of the Flight Terminal at Denver International Airport
the
"Captain Elrey B. Jeppesen Flight Terminal."
Elrey Borge Jeppesen was a long-time
Silver Wings Fraternity
member and at one time Chairman of the Board of Directors, and an aviation pioneer. We also sponsored the creation of an extensive Jeppesen exhibit at the
Boeing Field Museum of Flight
in Seattle, Washington, and we arranged for the museum to receive and display

Captain “Jepp’s”
collection of professional memorabilia.

 Silver Wings Fraternity seeks to find ways to recognize the aviation accomplishments of current members, and those Aviators who have gone before us.
Come join us and experience great fellowship, and experience the feeling of belonging to an aviation organization where you can share friendship with fellow pilots, and participate in what flying is all about. Be there when the hangar door opens!
